

[Download Xforce Keygen Structural Analysis For Revit 2013](#)

The image shows a screenshot of the Autodesk Licensing - Activation Options dialog box. The dialog is titled "Autodesk Licensing - Activation Options" and features the Autodesk logo. Under the heading "Product License Activation Options", the following information is displayed:

- Product: Autodesk AutoCAD 2017
- Serial Number: 666-69696969
- Product Key: 0011
- Request code: NSJU CX11 VWR1 Z999 SRL8 2VKS WRKS HPPZ

A red box highlights the request code, with a red arrow pointing to the "Request:" field in the X-FORCE keygen interface. Below this information, there are two radio buttons: "Connect now and activate! (Recommended)" and "I have an activation code from Autodesk". The second option is selected. Below the radio buttons is a grid of 16 empty text boxes for entering an activation code, with a "Clear All" button below them. At the bottom of the dialog are "Back", "Close", and "Next" buttons.

The X-FORCE keygen interface is shown on the right. It has a dark background with purple lightning effects and the text "X-FORCE" in large, stylized letters. Below this, it says "Autodesk 2017 products". There are two input fields: "Request:" and "Activation:". The "Request:" field contains the same request code as the Autodesk dialog. Below the input fields are three buttons: "Patch", "Generate", and "Quit". A red box highlights the "Patch" button, with a red arrow pointing to the "Patch" button in the Autodesk dialog. Below the buttons is a banner that says "SMOKING THE COMPETITION!".

An "Info" dialog box is shown at the bottom right. It has a title bar with "Info" and a close button. The text inside says "Successfully patched". Below the text is an "OK" button, which is highlighted with a red box and a red arrow.

Red numbers 1 through 5 are placed on the image to indicate specific steps or elements:

- 1: Points to the request code in the Autodesk dialog.
- 2: Points to the request code in the X-FORCE keygen interface.
- 3: Points to the "Generate" button in the X-FORCE keygen interface.
- 4: Points to the "Patch" button in the X-FORCE keygen interface.
- 5: Points to the "OK" button in the Info dialog box.
